Magistrate Judge Henry Pitman
District Judge George B. Daniels, MS
March Had the perfect opportunity to have
this case Dismissed I didn't come for my first
Disposition because I thought I didn't have to,
once it was mandatory by the court/Judge I
was being there, MS March give me a heads up
(reminder) the Day before the next Scheduled
Disposition which I told Her I'll be there, from
me having so much on my mind or just going
through so much, I forgot she could have
notified the court I was a no show or
disregarded a Direct order by the court
to appear for a Disposition and ask the
court to Dismiss the case Instead she
called me and I had truly forgot and she
let me still come I thank Her for that.

Thanks in Advance

Magistrate Judge Henry Pitman
District Judge George B Daniels From
me walking from my building to the corner
finishing an NON alcoholic Beverage throwing
it in the trash can resulted to my Fourth
amendment constitutional right being violated
and me being arrested with no probable
cause for that I hope the court/Judge
see things in my favor. Shortly I Didn't
resist either.

Thanks in Advance
